

NFPA 101®, LIFE SAFETY CODE® ESSENTIALS (2024 EDITION)

Master NFPA 101®, Life Safety Code® Essentials (2024 Edition)

SUCCEED IN LIFE SAFETY WITH REDA HAZARD CONTROL

INTRODUCTION

Ready to stay ahead in life safety compliance? NFPA 101®, Life Safety Code® Essentials (2024 Edition) delivers standards to protect occupants from fire and emergencies. REDA Hazard Control offers expert-led, in-person training to master these updates. Equip yourself with skills trusted by safety teams worldwide and start today!

WHY NFPA 101 ESSENTIALS?

- **Updated Standard:** Reflects 2024 changes, including egress revisions, CO detection, and sprinkler mandates, ensuring compliance with HCIS and global standards.
- **Career Advantage:** Boosts your expertise in building safety, code enforcement, and emergency planning for roles in design, inspection, and management.
- **Key Skills:** Learn NFPA 101® (2024) essentials—means of egress, fire protection systems, and occupancy-specific requirements—for real-world application.

WHAT RHC OFFERS

- **In-Depth Training:** Covers 2024 NFPA 101® updates—assembly occupancies, exit discharge, and new safety features—via hands-on, in-person sessions.
- **Expert-Led Sessions:** Live instruction by REDA's certified professionals, featuring practical scenarios and team-focused applications, not online.
- **Practice Tools:** Includes NFPA 101® (2024) code excerpts, egress exercises, and compliance checklists for immediate use in your facility.
- **Support:** Direct access to instructors for Q&A and tailored guidance, ensuring you grasp the latest life safety standards.

STEPS TO SUCCESS

1. **Eligibility:** Open to safety managers, architects, and facility staff—no prerequisites, just a drive to master 2024 safety updates.
2. **Enroll:** Register for REDA Hazard Control's in-person course, offered at our training centers with flexible scheduling.
3. **Learn:** Master NFPA 101® (2024) through REDA's expert-led training, focusing on occupant safety and compliance essentials.
4. **Apply:** Implement NFPA 101® knowledge to enhance building safety, ensuring protection and regulatory alignment.

TAKE ACTION

- **Call us:** Our sales team is ready to meet with you to discuss how you can design your course in collaboration with them.
