# WHO WE ARE

ENGINEERING AND INDUSTRIAL SERVICES

**OUR GOAL IS  
TO PROVIDE  
EXCEPTIONAL  
QUALITY, TAILORED  
SERVICES, AND  
CONTINUAL  
SUPPORT.**

*REDA Hazard Control is a part of the REDA Group, an international engineering and industrial services company.*

REDA Hazard Control offers a full spectrum of end-to-end solutions for hazard control. Our areas of expertise include fire protection, safety, and security. We are a leading provider of fire protection services and safety systems & equipment. We also offer solutions that will improve and enhance your site security.

Our goal is to provide exceptional quality, tailored services, and continual support. We exist to protect the lives of people and the community in which we live and work. This is why we always strive for excellence in all that we do.

Our services are innovative, comprehensive and represent excellent value with professional, world-class local content. We consider our customers as our partners and we believe in working with you on a personal basis to ensure precision until you are completely satisfied. So when it comes to safety, rest assured that we have all the bases covered.

REDA Hazard Control believes in a team approach for creating a safer facility. We work closely with our clients to formulate and implement high-quality, comprehensive programs that exceed their expectations.

**WE EXIST  
TO PROTECT THE LIVES  
OF PEOPLE & THE  
COMMUNITY  
IN WHICH WE LIVE AND  
WORK.**

## WHAT WE DO

SAFETY, SECURITY AND BEYOND..

**WE SPECIALIZE IN  
THE AREAS OF FIRE  
PROTECTION,  
SAFETY, SECURITY,  
AND PROCESS  
SOLUTIONS.**

*Established in 1986, REDA Hazard Control has been providing products, systems, and services to a wide variety of industries across the world.*

We are committed to providing products and services to customers in a safe, responsible manner to ensure the safety of our employees, the environment, our customers, shareholders and the communities in which we operate.

# WHERE WE SERVE

WITHIN YOUR REACH

# OUR CULTURE

GREAT PLACE TO WORK

YOUR FIRST  
CALL FOR  
PROTECTION

## Mission

To provide cutting edge solutions.

## Purpose

To help create a safer environment.

## Values

**Integrity** Having the courage to do the right thing at all times and in all circumstances, whether or not anyone is watching and no matter what the consequences.

**Pursuit of Excellence** Achieving distinction through innovation, learning and agility.

**Service** Delivering excellence in products, service and relationships.

**Teamwork** Collaborating to develop innovative ideas and optimal solutions.

**Accountability** We take ownership for our actions and their outcomes, we have the courage to make bold decisions and we deliver what we promise.

## SAFETY POLICY

GET BACK HOME SAFE

The company operates a safety policy in compliance with internal set objectives of recognized standard.

Safety consultants are retained to advise on all safety matters related to company activities.

Safety awareness is highlighted for all projects and risk assessment is prepared to recognized standards to control hazards.

The safety policies followed are aimed at working together with clients to achieve the objective of zero safety related incidents.

**WE EXIST TO  
PROTECT THE LIVES  
OF PEOPLE AND  
THE COMMUNITY  
IN WHICH WE LIVE  
AND WORK**

## ENVIRONMENTAL POLICY

RESPECTING OUR PLANET

Environmental policies are operated to ensure safeguards in respect of the environment and society in connection with all of its activities. The company additionally complies with all client requirements regarding environmental policies, which are in force at its sites or operating locations.

REDA Hazard Control company policy is aimed at reducing environmental impact to a minimum and ensuring that all related activities are carried out in accordance with recognized approved procedures.

**OUR AIM IS  
TO REDUCE  
ENVIRONMENTAL  
IMPACT TO A  
MINIMUM**
