

# NFPA 20, FIRE PUMPS (2025 EDITION)

NFPA 20, Fire Pumps (2025 Edition)

## MASTER FIRE PUMP SAFETY WITH REDA HAZARD CONTROL

### INTRODUCTION

Ready to ensure reliable fire pump performance? NFPA 20, Fire Pumps (2025 Edition) sets the standard for installing and maintaining fire pumps to protect lives and property, supporting HCIS goals. REDA Hazard Control offers expert-led, in-person training to master this critical code. Elevate your fire protection skills today!

### WHY NFPA 20, FIRE PUMPS (2025 EDITION)?

- **Critical Standard:** Updated for 2025, NFPA 20 ensures fire pumps deliver water effectively, aligning with HCIS and global fire safety benchmarks.
- **Career Impact:** Enhances your expertise for roles in fire protection design, installation, and maintenance, meeting industry demands.
- **Key Skills:** Learn NFPA 20 (2025) requirements for pump types, power sources, and performance testing, ensuring robust fire suppression.

### WHAT RHC OFFERS

- **In-Depth Training:** Covers 2025 NFPA 20 essentials—electric and diesel pumps, controllers, and acceptance testing—via hands-on, in-person sessions.
- **Expert-Led Sessions:** Live instruction by REDA's certified professionals, featuring real-world pump scenarios and practical applications, not online.
- **Practice Tools:** Includes NFPA 20 (2025) code excerpts, pump design exercises, and testing checklists for immediate use.
- **Support:** Direct access to instructors for Q&A and guidance, ensuring you master fire pump standards with confidence.

### STEPS TO SUCCESS

1. **Eligibility:** Open to engineers, technicians, and safety professionals—no prerequisites, just a drive for fire pump expertise.
2. **Enroll:** Register for REDA Hazard Control's in-person course, offered at our training centers with flexible scheduling.
3. **Learn:** Master NFPA 20 (2025) through REDA's expert-led training, focusing on fire pump installation and safety.
4. **Apply:** Implement NFPA 20 knowledge to install and maintain reliable fire pumps, enhancing safety outcomes.

### TAKE ACTION

- **Call us:** Our sales team is ready to meet with you to discuss how you can design your course in collaboration with them.
- **Get a Quote:** Contact us for further information or to receive a personalized quote.

### IN SUMMARY

Boost fire safety with REDA Hazard Control. Enroll today and excel in NFPA 20 mastery!
